To whom it may concern

Please accept this letter as support for the Mission Bay Kohimarama Residents Association in their attempt to preserve the green area, which was the Mission Bay Bowling Green, on Nihill Crescent.

I have spoken with my Activities Team and they feel that, once established and better weather comes along, they could set up a much asked about walking group (at the moment there is no suitable area that accommodates the elderly – flat surface, not too crowded, sheltered, etc.). They also mentioned that maybe it could be a regular outing for the residents. Many of our residents are not able to do any gardening, so if there was an area set aside where residents could help pull out weeds or plant items, it would make it even more attractive!

Yours sincerely

Murray Parkes
